Major-General Wood and Former Secretary of War Want Larger Army

Dependable Volunteer Force Under Federal Control Also Essential For Self-Defense

NEW YORK December 16 .-- (Asso inted Press by Federal Wireless)-Maj.-Gen. Leonard Wood, former chief of staff, and Henry Blimson, former secretary of war, addressed the members of the New York Merchants' Amociaion last night, each urging that the business men represented in the asso-ciation support the effort towards an adequate increase in the regular army and the steps being made to place the country in a position for self-defense.

DEPENDABLE MILITIA URGED

Both speakers dwelf upon the necessity for the organization of a dependable volunteer army through such work as has been carried on in a limited way in the college troining camps. Federal control of the mill in instead of State control, as at present, was alvanced as one means whereby the condition of militia affairs complained of by the war department could be met and remedied. ADEQUATE ARMAMENT NEEDED The main immediate need, said Gen

Prominent Women Discuss Problem of Giving Wayward Children New Foothold

## REFORMATORY RELEASES ARE ESPECIAL CONCERN

Central Committee of All Organizations Interested Suggested To Handle These Cases

(From Wednesday Adverti et.) To stop the descent of the wayward child, who has succembed to temptations and teen put away in a reformatory—to give the child who has atumbled a new foothold in society—a group of women numbering about 100 and representing various associations, from a theatrical society to a church club, met vesterday afternoon in the parish

net yesterday afternoon in the purish nove of the Central Union Church, There they discussed the wayward child, and what could be done by them ential, and what could be done by them individually or as an organizating to see that he or she, as the case may be is given a new start in life after leaving the reformatory—a place in a private home, preferably, where the child could be looked after and protected against the temptations which before had proved too strong for the incorrigible.

movement.

"The plan is simply this," said one of the women at the meeting. "We want such a committee as this to take charge of the children when they leave the industrial schools—to find a place for them where they will be protected against the temptations which they are not strong enough to resist.

"The meeting cannot be said to have been held under any one's auspices. It was simply a spentaneous outgrowth of the speeches two weeks ago. We will meet January 2 to perfect organization."

Mrs. B. F. Dilling cam presided at the meeting, and Miss Mable E. Bosher, principal of Kawaishao, conducted the liseusator. Mrs. P. L. Weaver read a maper on the child welfare subject. This maper will be read this afternoon beore the legislative committee of the
